<h2>About Me</h2>
<p>
Hello! I'm Payal Singh, a passionate individual who loves travelling and music. I am
always curious and eager to learn new things, and I find joy in sharing my knowledge
with others.
</p>
<h3>Background</h3>
<p>
My journey in the world of technology started at a young age when I discovered my love
for coding at school. Over the years, I have honed my skills in various programming
languages. </p>
<h3>Interests</h3>
<p>
Outside the realm of technology, I am a singer, a lover of songs, and a perpetual seeker
of knowledge. Whether it's diving into a good book, embarking on a hiking adventure, or
experimenting with a new recipe in the kitchen, I believe in embracing a well-rounded
and fulfilling life.
